Braid

Porches

it gets so dark
before the very powerful
light comes down on me
i'll watch the world
suddenly hurl itself into
braids come down on me
and it was as if i was watchin' it all
through a video camera
so shaky 'n' blue
i've got a dark muscle to pump in the
same strange blood runnin' through ya
in that darkness
a body moves just how it wants to
with nobody lookin'
so i will try
protected from the powerful
eyes comin' down on me
and it was as if i was watchin' it all
through a video camera
so shaky 'n' blue
i've got a dark muscle to pump in the
same strange blood runnin' through ya
