A Possibility

Basement Jaxx

I'm lost for words this time
I'll spend my life looking vainly
So hard to find my place in this world, this worldIf I could see a possibility
If I could see you here with meI can't, can't wait
Got lost in the forest of doom
So blind, oh so blind
Even though there you areIf I could see a possibility
If I could see you here with meIf I could see, it would be so
If I could see, it would be so
So complete, you and meIf I could see you here with me
