Dindi

Natalie Cole

Sky so vast is the sky
With far away clouds just wandering by
Where do they go? Oh, I don't know, don't knowWind that speaks to the leaves
Telling Stories that no one believes
Stories of love belong to you and meOh Dindi, if I only had words
I would say all the beautiful things that I see
When you're with me, oh, my DindiOh Dindi, like the song of the wind in the trees
That's how my heart is singing Dindi
Happy Dindi when you're with meI love you more each day, yes, I do, yes, I do
I'd let you go away if you take me with youDon't you know, my Dindi?
I'd be running and searching for you
Like a river that can't find the sea
That would be me without you, my DindiI love you more each day, yes, I do, yes, I do
I'd let you go away if you take me with youDon't you know, Dindi?
I'd be running and searching for you
Like a river that can't find the sea
That would be me without you, without you, yeah
My Dindi, my Dindi, my Dindi
