Sparkle

The Rosemarys

When I first saw you
You had sparkle in your eye
Like the stars at night
High in the sky
How I wish
That you were mine
'Cause to me
You're one of a kind
When I look at you
It seems so untrue
How someone like you
Can make me feel the way you do
Sparkle in your eye
(I)
Sparkle in your eye
(I see my sparkle in your eye)
Sparkle in your eye
You're so fine
For all the world to see
I find you hard to believe, you see
(You're so beautiful, yeah, yeah)
You make me want to love you
Ohh, ohh
When I look at you
(When I look at you)
It seems so untrue
(It seems so untrue)
How someone just like you
Your eye
Sparkle in your eye
(When I look at you I see)
Sparkle in your eye
(Yeah)
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah

(Sparkle, sparkle)
(Baby, baby)
Sparkle in your eye
(Baby, baby)
Sparkle in your eye
Sparkle in your eye
(Aww baby)
Yeah, yeah
Yeah, yeah
Sparkle
Sparkle in your eye
(In your eye)
Sparkle in your eye
Sparkle in your eye
(Sparkle, sparkle, baby)
Yeah, yeah
