'Til We See the Shore

Seabird

I promise with my life, I will bite my tongue
And I won't say a word,
'til all the listening is done
And hold onto these memories,
the ones that drive you awaySing 'til your heart hurts, then sing some more
Don't stop singing 'til we see the shore
Sing it loud and clear, 'cause I promise you
Someone will hear you singI promise with my life, I will bite my tongue
And I won't say a word,
'til all the listening is done
And hold onto these memories,
the ones that drive you awaySing 'til your heart hurts, then sing some more
Don't stop singing 'til we see the shore
Sing it loud and clear, 'cause I promise you
That someone will hear you singSing it without the fear, 'cause I promise you
The whole world will hear you singSing 'til your heart hurts, and then sing some more
Don't stop singing 'til we see the shore
Sing it loud and clear, 'cause I promise you
The whole world will hear you singSing 'til your heart hurts, then sing some more
Don't stop singing 'til we see the shore
