Nuclear

Ryan Adams

This is where the summer ends
In a flash of pure destruction, no one wins
Go nuclear, nuclear
The violets in my eyelids goin' redSentimental geek
Shut up and go to sleepThe calm, the beach and the remains
Of the bathing suits and porches all in flames
Go nuclear, nuclear
When I saw her and the Yankees lost to the bravesSentimental geek
Sentimental geek
Sentimental geek
Shut up and go to sleepGive me an answer
Give me an answer
Give me an answer
Give me an answerGive me love
Give me love
