No One Knows Who We Are

Kaskade

We are shouting,
We are whispering,
We give it all,
We have nothing.
Built our houses on our hands,
We are confident in our own plans,
Here we sleep and here we stand,
We,
Are,
Right,
Now.
Ooooooohhh,
No one knows who we are,
Ooooooohhh,
No one gave us a mark.
Ooooooohhh,
No one knows who we are,
Ooooooohhh,
No one gave us a mark, mark, mark.

We have held back,
We have pushed on,
We can control,
We can look on.
We're not searching for a name,
Or looking back the way we came,
We're not lost, we're not ashamed,
We,
Are,
Right,
Now.
Ooooooohhh,
No one knows who we are,
Ooooooohhh,
No one gave us a mark.
Ooooooohhh,
No one knows who we are,
Ooooooohhh,
No one gave us a mark, mark, mark.
