Immortal

Decoded Feedback

I lived my life
Immortal from eternity inside
I lived my life
So far away from everything inside

I lived my life
Through centuries of darkness, through the pain
I lived my life
I've seen the rise and fall of humanity
I lived my life
So far away from everything

I lived my life
Immortal from eternity inside
I lived my life
So far away from everything

I lived my life
Through centuries of darkness, through the pain
I lived my life
I've seen the rise and fall of humanity

Free yourself
Immortal as the essence of the sky
Free yourself
Immortal as the spirit of the night

I lived my life
Immortal from eternity inside
Free yourself
Immortal as the essence of the sky

I lived my life
So far away from everything inside
Free yourself
Immortal as the spirit of the night

I lived my life
Through centuries of darkness, through the pain
I lived my life

I've seen the rise and fall of humanity
