Disney Girls

Ann Sally

Clearing skies and drying eyes
Now I see your smile
Darkness goes and softness shows
A changing styleJust in time words that rhyme
Well bless your soul
Now I'll fill your hands
With kisses and a tootsie rollReality, it's not for me
And it makes me laugh, oh
But fantasy world and Disney girls
I'm coming backPatti page and summer days
On old cape cod
Happy times making wine
In my garageCountry shade and lemonade
Guess I'm slowing down
It's a turned back world
With a local girl in a smaller townOpen cars and clearer stars
That's what I've lacked, oh
But fantasy world and Disney girls
I'm coming backLove, hi Rick and Dave
Hi pop, well good morning mom
Love get up guess what
I'm in love with a girl I found
She's really swell 'cause she likes
Church, bingo chances and old time dancesAll my life I spent the night
With dreams of you
And the warmth I missed for the things I wished
They're all coming trueI've got my love to give and a place to live
Guess I'm gonna stay
It'd be a peaceful life with a forever wife
And a kid somedayIt's earlier nights and pillow fights
And your soft laugh
But fantasy world and Disney girls
I'm coming back
