Lonely Avenue

Ray Charles

Now my room has got two windows
But the sunshine never comes through
You know it's always dark and dreary
Since I broke off, baby with youI live on a lonely avenue
My little girl wouldn't say I do
Well, I feel so sad and blue
And it's all because of youI could cry, I could cry, I could cry
I could die, I could die, I could die
Because I live on a lonely avenue
Lonely avenueNow my covers they feel like lead
And my pillow it feels like stone
Well, I've tossed and turned so every night
I'm not used to being aloneI live on a lonely avenue
My little girl wouldn't say I do
Well, I feel so sad and blue
And it's all because of youI could cry, I could cry, I could cry
I could die, I could die, I could die
Because I live on a lonely avenue
Lonely avenueLonely avenue
Lonely avenueNow I've been so sad and lonesome
Since you've left this town
You know if I could beg or borrow the money
Child, I would be a highway boundI live on a lonely avenue
My little girl wouldn't say I do
Well, I feel so sad and blue
You know its all because of youI could cry, I could cry, I could cry
I could die, I could die, I could die
I live on a lonely avenue
Lonely avenue
