Bigtime

Whigfield

Welcome to the future
Welcome to the future
Get into the new speed
Get into the enemyMass communication
(Gene manipulation)
So whats the occupation?
(Whats your dedication?)Welcome to the future
Straight into the futureBigtime
(Bigtime)
Were all partners in crime
Bigtime
(Bigtime)
Were all standing in lineWelcome to the future
Welcome to the future
Talking about the old times
Scared about the new timesDoes anybody know you?
(Will anybody need you?)
Can anybody please you?
(Does anybody have to?)Just get into the to the future
Straight into to the futureBigtime
(Bigtime)
Were all partners in crime
Bigtime
(Bigtime)
Were all standing in lineBigtime
(Bigtime)
Were all partners in crime
Bigtime
(Bigtime)
Weve all been left behindBigtime
(Bigtime)
Were all partners in crime
Bigtime
(Bigtime)
Were all standing in lineBigtime
(Bigtime)
Were all partners in crime
Bigtime
(Bigtime)

Weve all been left behind
