friendly fire

Antillectual

They say help is comin
They say help is on it's way
They shot him down
And he was innocent today
They run for cover
They got no answer
Why they left him for dead
They say help is comin
They say help is on its way
They shot him down
And he was innocent today

Help is comin
They say is help is on its way
They shot him down
And he was innocent today
They run for cover
They got no answer
Why they left him for dead
Help is comin
They say help is on its way
