# Icon

## Empress Of

If I wasn't awake I'd be dreaming
I took too many pills to be sleeping
And the memory of you keeps on creeping
Up my slippery spine all this evening
Take my hand in your hand
Like we're walking
On the pebbley sand
And we're talking
Drive me up to the coast
Lay my seabag
But I'm just in a room with the lights on
Every minute pisses like an hour
When I'm just in a room
With the lights on
And there's no one who knows
I'm their Icon
All that keeps me awake
Is the lights on
And there's no one who knows
I'm their Icon
The first line of the night
Cuts the deepest
Then I'm struggling to
Keep my secrets
As we order a drink
That's the cheapest
If I lend you my kiss
Please don't keep it
Every minute pisses like an hour
When I'm just in a room
With the lights on
And there's no one who knows
I'm their icon
All that keeps me awake
Is the light time
And there's no one who knows
I'm their icon
Keep the lights on for my sake!
Keep the lights on for my sake!

Close my eyes I see your face
Close my eyes I see your face
I just keep myself awake
I just keep myself awake
I don't want to feel this way
I don't want to feel this
Just in a room with the lights on and there's
No one who knows I'm their icon
All that keeps me awake is their lights on
And there's no one who knows
I'm their icon!
