On My Way

The Neighbors & Greg Camp

I'm on my way
Out the door
Don't know where I'm going
but I know for sure
I got the bug
You know the one
Find my slice of heaven
my place in the sun.(I'm on my way)
Far away, it's a brand new game
(I'm on my way)
There's room to grow
(I'm on my way)
This is my time to shine
I don't know where, I'll take the dare
here I go.
[Guitar Interlude]My sights are set
It's in the air,
Gotta one way ticket
to anywhere
I'll spin the wheel
Got no doubts
Where it's gonna lead,
I'm about to find out(I'm on my way)
Far away, it's a brand new game
(I'm on my way)
There's room to grow
(I'm on my way)
It's my time to shine
I don't know where, I'll take the dare
here I go.
The time to take is mine
Shaking out the past and walk the line
My heart will always hold a place for you
Holding on is something, it's all I can do.[Guitar Solo]The game is called,
the crowd is gone
My debts are settled
My sins are paid.
And you are my sunshines
on the radio.

I don't know where, I'll take the dare
here I go.(I'm on my way)
Far away, it's a brand new game
(I'm on my way)
There's room to grow
(I'm on my way)
This is my time to shine
I don't know where, I'll take the dare
here I go.(I'm on my way)
Far away, it's a brand new game
(I'm on my way)
There's room to grow
(I'm on my way)
This is my time to shine
I don't know where, I'll take the dare
here I go.
