I believe I will be over youTAEYEON - 11:11 English Translation
It's 11:11
When there's not much time left to the day
When we used to make wishes and laugh
Everything reminds me of you
The wind is as cold as the edge of your heart
When I open the window, you blow in
When this time passes
Will this break up be over?
Will I forget you?
Everything finds its place and leaves
You took all of me and left
But like the two hands of the clock in my heart
I keep lingering in the same place
Na na na na na na na
na na na na na na oh
Na na na na na na na na
I believe I will be over you
In the calendar
The date that we planned out long ago
If you forgot about it all
I guess I have to erase it
It won't be a big deal after a while
Everything finds its place and leaves
You took all of me and left
But like the two hands of the clock in my heart
I keep lingering in the same place
Na na na na na na na
na na na na na na oh
Na na na na na na na na
I believe I will be over you
Like a strange flower that blooms in between seasons
Like the morning star that hangs between days
All of this, some day
Will pass
Everything finds its place and returns
If I finally smile as if nothing happened
Calling out your name
Won't hurt as much as it does now

Na na na na na na na
na na na na na na oh
Na na na na na na na na
I believe I will be over you
Na na na na na na na
na na na na na na oh
Na na na na na na na na
I believe I will be over you
