

# Can I Have It Like That (feat. Gwen Stefani)

Pharrell

Ladies and gentlemen  
Yes sir  
Let's do it  
Yes sirYo, on and on and my nuts I'm palming  
Take two of these and call me in the morning  
You should see the way the chain heart is a charmin'  
Flying like a bird like Nelly FurtadoShit, pop ya bottles toast and scream, Cheers!  
Getcha two step cuz it's the record of the year  
Nigga that brought you Ice Creams, 2 for a Pair  
Officially announcing this is warfareCuz back in the day my clouds was grey  
And it seemed like my angels couldn't blow them away  
But then I sold my first verse and copped that NSX  
But I was still ridin' in them thin ass jets  
But nowMan, my business so clear out the window of the Lear  
And I'm talking on my celly all this shit that you should hear  
Listen clearly now  
Hello, can you hear me now?Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like thatSo, drop ya purse and grab ya hips  
And act like ya tryin' to get this money right quick  
So can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like thatOn and on and this beat is zoning  
I control they mind from straight over the phone and  
Let 'em explore the words something like a tourist  
And never get addicted unless the heady wop is seriousFrom Louisville to Jimmy Choos, he's real  
She knows the time she sees the Richard Mille  
Flat double skeletal Tourbillion  
It's just like her body move, it turns her onShe like the way my hands use her body for hand warmers  
And all our car doors go up like Transformers  
See I can do it thisaway, I can do it thataway  
From the crib in Virginia to that new Miami getawaySo cool it like New Edition unless you hot as you say  
I'll get it, ok, let it boil away

But please run along, cuz ladies is feelin' wrong  
And I got some right for 'em right after this song  
My name is Skateboard PLadies and gentlemen Can I have it like that?

Can I have it like that?  
You got it like that On and on and the temperature's warming  
I spit heat flashes, niggas get nauseous  
Bright as a bitch, so analyze with caution  
When the light hit the ice bet a 100 that you vomit Should I mention the fact the transition is the track?  
New incision to the vision just to get me where I'm at  
Lil' Skateboard he too grown  
Riding up and down Collins in that new two-tone It's so cold you don't wanna feel the chill of it  
(Uh!)  
Just stand back and just look at the grill of it  
(Uh!)  
I don't smoke but I bet the sensa mill of it  
It totally intensifies the vivid ass appeal of it You can be jealous and grit ya teeth  
But all these little niggas got something in reach  
So, you want heat? These niggas can front heat  
While on my boat party trying to sunseek  
My name is Skateboard PLadies and gentlemen Can I have it like that?
