Only With You

Roy Orbison

I can paint a sunset across the sky of blue
Only with you, only with you
I can be a master at anything I do
Only with you, only with youI found the end of the rainbow
My golden treasure too
Only with you, only with youThe sun looks good in the morning
And I love the night time too
Only with you, only with youAll my world would end, dear
My rising star would fall
If ever I should lose you
I would be nothing at all
