One Way Trip (Feat. Kevin Rudolf & Travis Barker)

Lil' Wayne

Ah, yeah, ah yeah
Ha ha lookBeat the beat up 'til the beat gets punch drunk
Drown on my flow mothafucka' bring your swimming trunks
Everybody say they just do it well I just don't
Times do change mothafucka' well the gun don't
Woke up this morning with my dick to the ceiling
Fella sleep with another chick from my building
Kick her ass out and have breakfast like a mo' fucka'I'm with another bitch by supperYeah me and hate that's an odd couple
Ha ha ha, you niggas fake, you wouldn't pop bubbles
Ha ha, you can act stupid bitch I'm dumber
And "T" barker is my motherfuckin' drumma'[Chorus]
And falling down a land slide
On a one way trip to you
You want me to take you for a ride
Let's see what you can do
And it feels like oh, oh, oh, oh, ha
I know just what to do
Cause I'm falling down a land slide
On a one way trip to youUh,
I've been doing this shit
And you know what they say about the shoe if it fit
Ha ha, have a ball til I fall though
And if I die today, I bet the world end tomorrow
Its fucked up how you ain't never me
And I got blind money, money you will never see
And only in the mirrors where you find the better me
I make money and my fingers make a letter B
I'm very sick, very sicker than you
And when I play sick, I'm Jordan with the flu
Then I become a motherfucka'
And my nigga Travis barker is my drumma' motherfucka'
Lets go[Chorus]Ha,
I get better with time and time is forever
So just sit back and watch my time get better
So check your watch, I'm strong as scotch
Papa was a rolling stone, I was born to Rock
Uh, tell it like it is shit
I don't know when it isn't

To or not to be shit, I don't know my decision
I don't know how I made it for this long in this condition
Cause my flow so sick I should of died in the first verse
Mr. Doctor Carter wit' my hands up a nurse skirt
Suck me like soup and I'm a eat you like surf 'n' turf
Ha ha, just let me know when you coming
And my motherfucking nigga "T" barker keep drummin'[Chorus]
