Bloodsuckers

Pablo Gad

Don't speak to me of morality, justice, wrong or right
Dig out the dirt and ignore the hurt, spit out all your lies
Conscience free as we bleed, hypocrisy born from greed
Don't preach to me of integrity or your legal highs
The judge's thrilled, he's dressed to kill on TV every night
Subliminal, so absurd, it's criminal yet can't be heard
Bloodsuckers, how can they sleep at night?
Bloodsuckers, nothing but parasites
You will be on the stand today, they cannot harm you it's okay
They will destroy your family and drag you through hell and tragedy
A circus heading into town, complete with cameras and the clowns
The first amendment shot to bits, the world is watching just for kicks
As the day drew close to hand for all to view the faceless man
He put out the lights it's sad, who's to blame for that?

Intimidate twist of what you say with their fine points of law
They lose the case but prolificate and then appeal some more
Subliminal, it's so absurd, it's criminal yet can't be heard
Bloodsuckers, how can they sleep at night?
Bloodsuckers, nothing but parasites
Bloodsuckers, they don't know you're goin' to try
Bloodsuckers, nothing but parasites
I swear to tell the truth, the whole truth
And nothing but the truth, so help me God
You will be on the stand today, they cannot harm you it's okay
They will destroy your family, drag you through hell for all the sin
Bloodsuckers, parasites
