# His Story

## TLC

Yo, this is a story of a male female threat to society
You know being misjudged and not respected for what we are
But I want to send this special shout out to my girl Tawana Brawley
'Cause no matter what we say or what we do
They'll always believe his storyHis story
His story
They're gonna believe
His story
His storyWhy does it have to be that we get labeled for what we do?
It's hard enough for us to be ourselves without being used
Girls have an image too
But when they get mad at you
There is no telling what they'll say to hurt youThis is a story of a male female threat to society
Why you wanna go and tell a lie on me?His story over mine, his story will be his story
And my story is a waste of time
They're gonna believe
His story
His story
They're gonna believe
His story
His storySometimes I feel like there is no reason for me to explain
No matter how much we complain
You know it all stays the same
They try to call us freaks
Why does it have to be
We can't get justified until we speak upThis is a story of a male female threat to society
Why you wanna go and tell a lie on me?His story over mine, his story will be his story
My story is a waste of time
They're gonna believe
His story over mine
His story, will be his story
My story is a waste of time
It's hard enough to be ourselves without being usedSo yo take it from me
Don't be a victim of society
You can't put yourself in a position to be neglected
And disrespected
You have to do what's not expected
Alright
Or all be in his storyHis story over mine

His story will be his story
And his story is a waste of time
You're gonna believe
His story over mine
His story will be his story and
My story is a waste of time
They're gonna believe
His story over mine
His story will be his story
And my story is a waste of time
You're gonna believeThis is a story of a male female threat to society
Why you wanna go and tell a lie on me?
This is a story of a male
Female threat to society
Why you wanna go tell a lie on me?
