Sway

The Rolling Stones

Did you ever wake up to find
A day that broke up your mind
Destroyed your notion of circular time

It's just that demon life has got you in its sway
It's just that demon life has got you in its sway

Ain't flinging tears out on the dusty ground
For all my friends out on the burial ground
Can't stand the feeling getting so brought down

It's just that demon life has got me in its sway
It's just that demon life has got me in its sway

There must be ways to find out
Love is the way they say is really strutting out

Hey, hey, hey now
One day I woke up to find
Right in the bed next to mine
Someone that broke me up with a corner of her smile, yeah

It's just that demon life has got me in its sway
It's just that demon life has got me in its sway

It's just that demon life has got me in its sway
It's just that demon life has got me...

It's just that demon life has got me...
