# Don't Let Me Die Young

## Andy Taylor

Fields of fire burn in my sleep
I hear screaming and thunder and cries
Devils crowd under my feet
Scream so loudUnder here lies a different face
In a hungry lonely soul
I guess it ain't easy
When you don't know which way to goDon't let me die young
I'm begging you
Don't let me die youngI never liked the thought of pain
And time is all we have to gain
Gotta play anyway
Win or lose
