Fiasco

U.S.L.A.

I was in love wit him since I was 12
By age 14 I was just catchin' hell
He was the star of the football team
Other girls wanted to fufill his dreams
I was too young too scared too insecure
All of the love in my heart was so pure
This was until I had just turned 16
That was the night he tried to get in my jeans
What should I say
When I didn't want to push him away
But I was scared to give up my thang
When all along I knew he had waited for so long to see
If I was gonna give him all of me
But that's where I wanted to be
But then again
I remember the talk I had with my friends
Oh no if you swing an episode
I just hope it ain't a fiasco
Sometimes boys can treat you so ghetto
And I don't wanna say I told you so
Oh on
If you swing an episode
I just hope it ain't a fiasco
Sometimes boys can treat you so ghetto
And I don't wanna say i told you so
After that first situation had past
It was this guy I had sat by in class
He was the type that made you wonder about
How he got down cause he did talk alot
So we hooked after school one day

Went on some dates and we spent spring break
Teogether and then one night at his spot
While watchin' T.V. things got real hot
What should I do cause I had already took off my shoes
And I didn't want to seem to loose
Though deep inside I was contemplating giving him a try
'cause he seemed absolutly perfect for me
But afterwards what would he think

Here we go again
I remember the talk i had with me friends
Oh no if you swing an episode
I just hope it ain't a fiasco
Sometimes boys can treat you so ghetto
And I don't wanna say I told you so
Oh on
If you swing an episode
I just hope it ain't a fiasco
Sometimes boys can treat you so ghetto
And I don't wanna say i told you so
Rap...
Oh no if you swing an episode
I just hope it ain't a fiasco
Sometimes boys can treat you so ghetto
And I don't wanna say I told you so
Oh on
If you swing an episode
I just hope it ain't a fiasco
Sometimes boys can treat you so ghetto
And I don't wanna say i told you so
