By Some Miracle

Philip Selway

1, 2, 3, 4.As I gave into temptation
I've strayed across the line
Keep it under wraps in the cold store
Put it to the back of your mind
Put it to the back of your mindBut, by some miracle
I just got away with it
I've clawed it back again
By some miracle
I just got away with it
I've clawed it backI'm crawling back againThere's a black dog down in the basement
It's barking at my name
Snapping at my heels when I falter
Kick it but it won't go away
Kick it but it won;t go awayBut, by some miracle
I just got away with it
I've clawed it back again
By some miracle
I just got away with it
I've clawed it backI'm crawling back againPut it back, put it back, put it where you found it.
Put it back, put it back, put it where you found it.
Put it back, put it back, put it where you found it.(Oooohhhhh. ooooooohhhhhh.)
