Hourglass

Squeeze

I feel like I'm pounding on a big door
No one can hear me knocking,
I feel like I'm falling flat to the floor
No one can catch me from falling
The hourglass has no more grains of sand,
My watch has stopped no more turning hands
The crew have abandoned ship
The lights are on but now one is inTakeittothebridge throwitoverboard

Allthelightsareon andtheblindsaredownI feel like I'm calling on a telephone
No one can hear the ringing,
I feel like I'm running up a steep hill
No one can stop me from running
The hourglass has no more grains of sand
My watch has stopped no more turning hands
The little hand shakes it's fist
The face is hanging out on a springTakeittothebridge throwitoverboard

I feel like I'm falling flat to the floor
No one can catch me from falling
