# Bad Guys Win

## Matthew Good

Well the night's gone invisible
Smoke stacks on the paths of your skin
High noon in the garden of suicideBad guys winUp in the tower a hard fought victory
Down in the valley the carnage of sin
Where God he dismisses uncertainty
Bad guys winStood still
Let my memory quit
Well the sky's gone invisible
Spent shells on the pavement a hymn
False prize in the garden of paradise
Bad guys win
Down in the valley the sound of artillery
Up on the mountain your rebel digs in
But only then do you see it as certainty
Bad guys winStood still
Let my memory quit
