

# Hourglass

## Squeeze

I feel like I'm pounding on a big door  
No one can hear me knocking,  
I feel like I'm falling flat to the floor  
No one can catch me from falling  
The hourglass has no more grains of sand,  
My watch has stopped no more turning hands  
The crew have abandoned ship  
The lights are on but now one is in  
Take it to the bridge throw it overboard  
See if it can swim back to the shore  
No one in the house all the lights are on  
And the blinds are down  
Take it to the bridge throw it overboard  
See if it can swim back to the shore  
No one in the house everyone is out  
All the lights are on and the blinds are down  
I feel like I'm calling on a telephone  
No one can hear the ringing,  
I feel like I'm running up a steep hill  
No one can stop me from running  
The hourglass has no more grains of sand  
My watch has stopped no more turning hands  
The little hand shakes it's fist  
The face is hanging out on a spring  
Take it to the bridge throw it overboard  
See if it can swim back to the shore  
No one in the house everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge throw it overboard  
See if it can swim back to the shore  
No one in the house everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge throw it overboard  
See if it can swim back to the shore  
No one in the house everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge throw it overboard  
See if it can swim back to the shore  
No one in the house everyone is out  
All the lights are on and the blinds are down  
The hourglass has no more grains of sand,  
Little red grains of sand  
My watch has stopped now more turning hands  
Little green neon hands  
Take it to the bridge throw it overboard  
See if it can swim back to the shore  
No one in the house everyone is out  
All the lights are on and the blinds are down  
Take it to the bridge throw it overboard

See if it can swim back up to the shore  
No one in the house everyone is out  
All the lights are on and the blinds are down I feel like I'm calling back to the shore  
No one can hear me calling  
I feel like I'm falling flat to the floor  
No one can catch me from falling
