My under the underwearCome on ma, I'm ready to get naughty
Don't act like you ain't know this a house party
Gangsta boo and I know you ain't try to harm me
But don't worry bout it 'cuz I got the condom on me
Live in effect yeah affect and live
I like ya style mama, I'll just take it in stride
Look in my eyes, do I look like the type of guy
That run up on you and tell you a damn lieOoh boo I'm tryin to get it
Now tell me is you wit it
And if it's simple as that
Then tell me can I hit it

My under the underwear
Liquor everywhere
Condoms over there
I'm in my underwear
My under the underwearYou 17, wit the ass of a woman
I know you gettin' Tippy 'cuz the liquor keep on comin'
Lookin' right in ya tank tops and underwear

But ma I'm tryin to see what's under there
Oh, you like the crib
You diggin' the gold shower
In the gold shower, I'm handin' out gold showers
Right now, I'm thinkin' let's do this
17 dude, ready to ram, I'm St.Louis
You wanna smoke a little
I always got a bag
But don't tell my mama 'cuz she always say I'm bad
Country, wit my boxers and sneakers on
Right now my third leg need a sneaker on
Got pussy everywhere
Weed in the air
I'm in my underwear
My under the underwear
Liquor everywhere
Condoms over there
I'm in my underwear
My under the underwear
Got pussy everywhere
Weed in the air
I'm in my underwear
My under the underwear
Liquor everywhere
Condoms over there
I'm in my underwear
My under the underwear
Oh, now, why is you
The only mutha fucker in here wit yo pants on?
Ain't no other ga' got they pants on ma
I'm sayin', "Naw I mean I'm not tryin' to offend you or nothing"
I'm just sayin', "I'm, I'm tryin' to amend you or somethin' "
Man quit playin' and take ya clothes off now!
Girl quit playin' the party almost over
Ain't nobody old enough to drink
But ain't nobody sober
Finna take my whities off
You wanna match this thug
We can bang on the floor or the mattress rug
In the bed I role play
Hit em' in trains
She said she wanted me to be gentle
Hand me this band-aid
Tried to give it to her rough
But she don't want it like this
But everytime I throw a party
It just happen like this
Got pussy everywhere
Weed in the air
I'm in my underwear
My under the underwear
Liquor everywhere

Condoms over there
I'm in my underwear
My under the underwearGot pussy everywhere
Weed in the air
I'm in my underwear
My under the underwear
Liquor everywhere
Condoms over there
I'm in my underwear
My under the underwearI mean this right here, this
This is true to life pimpin'
You just can't put anybody in the lab
And just tell em' to go and they just start pimpin'
See it ain't been no big pimpin'
It has to be small pimpin' first
And uh, girl you lookin' good but
You tryin' to hold ya little clothes on
And have to get greezy wit' ya for you to take em' off
You might as well take ya belt off 'cuz
Ya pants fallin' down anyway
And when I say, " I'm wit the Trackboyz"
And the Trackboyz don't step, they two step
And we don't short step, we will step
And it's like that
