Remain

Clockhammer

Defender of this heart
You loved me from the start, You never change
Through the highs and lows
As seasons come and go You never fail
Day after day Your love will remain
Faithful and true, You are good
You are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remain
When troubles come my way
You guide and You sustain, lead me, I pray
Forever You will be the Great Eternal King
Now and always
Day after day Your love will remain
Faithful and true, You are good, You are good
You are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remain
When all else fades You remain
You are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remain
You are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remain
You are God with us, You're victorious
You are strong and mighty to save
For Your word stands true, there is none like You
And when all else fades You remain, You remain
'Cause day after day You never change
Day after day You are the same
Day after day You remain
