Listen To Me

Dino Valente

Listen to me and hold me tight
And you will see our love so right
Hold me darling, listen closely to meYour eyes will see what love can do
Reveal to me your love so true
Listen to me, listen closely to meI've told the stars you're my only love
I want to love you tenderly
Those same bright stars in heaven above
Know now how sweet sweethearts can beListen to me, hear what I say
Our hearts can be nearer each day
Hold me darling, listen closely to meListen to me
Listen, listen, listen to meI've told the stars you're my only love
I want to love you tenderly
Those same bright stars in heaven above
Know now how sweet sweethearts can beListen to me, hear what I say
Our hearts can be nearer each day
Hold me darling, listen closely to me
