Boycott Hell

Advisory - the following lyrics contain explicit language:

We've gotta job to do
We're runnin' out of time to do it
You've got a gift to use
Get out in the world and use itBury your foolish pride
We've gotta unionize
Hey, don't you think it's time to boycott hell?
Boycott hellWe've got the strength to win
Standing arm in arm together
Forget our differences
We can change the world foreverBury your foolish pride
We've gotta unionize
Hey, don't you think it's time to boycott hell?
Boycott hellDon't let a neighbor go
Form a holy picket line
We've gotta let them know
Don't you think it's time to boycott hell
Boycott hellGuess who comin' through with a little disclaimer
Tune's okay but the words are gettin' lamer
Ain't no saint can legitimatize
Rhymin' pride with time with unionize
See I agree we oughta boycott hell
But we oughta boycott dumb lyrics as wellDon't let a neighbor go
Form a holy picket line
We've gotta let them know
Don't you think it's time to boycott hell
Boycott hellWe've got a job to do
We're running out of time to do it
You've got a gift to use
Get out in the world and use itBury your foolish pride
We've gotta unionize
Hey, don't you think it's time to boycott hell
Boycott hell
