Impossible

Nat King Cole

If they had ever told me how sweet a kiss could be
I would have said, "Impossible, impossible for me"
And if they said, I'd find you beyond the rainbow's end
I would have said, "Impossible, impossible, my friend"To dream about what might have been
Is strange enough for me
But now it seems I'm living in
A dream too beautiful to beIf they had said a moonbeam could calm a stormy sea
I would have said, "Impossible," but now at last I see
That nothing is impossible if you are here with meI would have said, "Impossible," but now at last I see
That nothing is impossible if you are here with me
