Rub a Dub Dub

The Equals

Saturday night and I'm sitting in a tub.
Got to see my baby
Rub a dub dub.
Need hot water running outgot to see my baby
scrub a scrub scrub.
Wait till late to see my babytonight's the night
that I'm going to ask hergot to smell sweet just like a rose.Sitting in my tub
Rub a dub dub.
Sitting in my tub
scrub a scrub scrub.
Saturday night and I'm having a rubGot to see ma baby
Rub a dub dub.
Need more soap I'm running outgot to see my baby
scrub a scrub scrub.
I wonder what will be the answer.
This is the first time
I'm going to ask herSitting here I won't know the answersitting in my tub
rub a dub dub.Sitting in my tub
rub a dub dub.
sitting in my tub
scrub a scrub scrub.
Saturday night and I'm sitting in my tub.
Got to see my baby
Rub a dub dub.
Need hot water I'm running outsitting in my tub
scrub a scrub scrub.
I wait till late to see my babytonight's the night that - that
I'm going to ask herGot to smell sweet just like a rosesitting in my tub
scrub a scrub scrub.
Come into my tubsaid the spider to the flyNo thank you
replied the flydon't really thinkI need a rub.
