Let's Talk About It

Andru Donalds

(Music: Donalds, Cretu - Lyrics: Donalds)What a friend you think you are
Seems so close but yet so far
I see beneath the smile on your face
I can feel your anger now
In your heart deep down without a trace
C'mon Lets Talk about it
I said it once, I said it twice
Now you know , you realize, it's in my mind
Let's Talk About it, Lets Talk about it
Your trippin once, your trippin twice
In your own bad mind you'll fall on your face
Let's Talk About it, Lets Talk about it
What a friend you think you are
Seems so close but yet so far
And now, I think of all the time we spend together
They say, your friend is your worst enemy
And now I know it's true
C'mon Lets Talk About it
