Crazy Love

Jason Manns

I can feel her heartbeat from a thousand miles
And the heavens open every time she smiles
And I'm running to her, that's where I belong
I'm running to her like a river's song

Chorus
She gives me love, love, love,love, crazy love
She gives me love, love, love, love, crazy love

She got a fine sense of humor when I'm feeling down
I'm running to her when the sun goes down
She takes away my trouble, she takes away my grief
She takes away my heartache, and I go right to sleep

repeat Chorus

Yes I need her in the daytime, and
Yes I need her, in the night
Yes I want to throw my arms around her
Kiss her, hug her, and i kiss and hug her tight

When I'm returning from a long day
She give me some sweet lovin', It brightens up my day
It makes me righteous, and yes it makes me whole
It makes me mellow right down in to my soul

repeat Chorus 2x
