Paths That Cross (Remastered)

Patti Smith

Speak to me, speak to me heart
I feel a needing to bridge the clouds, softly go
A way I wish to know, to know
A way I wish to know, to knowOh, you'll ride, surely dance
In a ring backwards and forwards
Those who seek feel the glow
A glow we all will know will know
A glow we all will know will knowOn that day filled with grace
On the way to heart's communion
Steps we take, steps we trace
All the way the heart's reunionPaths that cross
Will cross again
Paths that cross
Will cross againSpeak to me, speak to me shadow
I spin from the wheel, nothing at all
Save the need, the need to weave
A silk of souls, that whisper, whisper
A silk of souls, that whispers to meSpeak to me heart
All things renew
Hearts will mend
'Round the bendPaths that cross
Cross again
Paths that cross
Will cross againPaths that cross
Cross again
Paths that cross
Will cross againRise up, hold the reins
Hold me, I don't know when
Hold tight, bye byePaths that cross
Will cross again
Paths that cross
Will cross again
Paths that cross
Will cross again
