Sign Of The Crimson Storm

Riot

Oh god what have I done?
In the shadows on the dark side
Neath the skies of crimson doom
In the streets I hear the wind cry
Evil sings the devil's tune
On your knees and pray for mercy
Let god hear us on this day
Or in the acid rain our bones will lay
Oh cry cry for a world that's torn
Cry for a child unborn
For it's the sign of the crimson storm
Desperate people in the city
Foolish games of greed and wealth
On themselves they have no pity
They are victims of themselves
Gotta make you pay for mercy
Let god hear us on this day
Or in the acid rain our bones will lay
Oh cry cry for a world that's torn
Cry for a child unborn
For it's the sign of the crimson storm
Oh god what have I done?
In the shadows on the dark side
Neath the skies of crimson doom
In the streets I hear the wind cry
Evil sings the devil's tune
On your knees and pray for mercy
Let god hear us on this day
Or in the acid rain our bones will lay
Oh cry cry for a world that's torn
Cry for a child unborn
For it's the sign of the crimson storm
Oh cry cry for a world that's torn
Cry for a child unborn
For it's the sign of the crimson storm
