Eight Wheels

Tiger Trap

bruises and scabs
from my head to my toes
(take you forever ?) let's goeight wheels tonight
eight wheels are alrightcome to a crack and you fall to the ground
into the pebbles and that's not ( )eight wheels tonight
eight wheels are alrighteight wheels tonight
eight wheels are alright( )
dustin' my wheels off
there's no place to goeight wheels tonight
eight wheels are alright
eight wheels tonight
