Hollywood Blvd

Shyan Selah

Ponies on another display
Faces painted over a time that no longer is
Riding on another good day
Look at the show
Look at 'em go
Revel in the lies
You're fading awayCHORUS
Knots and tangles
Dreams mangled
Knots and tangles
Dreams mangled
To be...
Walking alone on Hollywood Blvd.Isn't this a wonderful place?
Peace and quiet shattered by TVs and radios
Making yet another mistake
All that they know
No where to go
Revel in the lies
You're fading awayCHORUS
Knots and tangles
Dreams mangled
Knots and tangles
Dreams mangled
To be...
Walking alone on Hollywood Blvd.Knots and tangles
Dreams mangled
Knots and tangles
Dreams mangled
To be...
To be...
To be...
Walking alone on Hollywood Blvd.Hollywood Blvd., Hollywood Blvd., Hollywood Blvd.
