Let Your Love Go

Bread

There's a reason for the life that you live
And there's pleasin' that I know you can give
And I been cravin' the love you been savin'
So baby won't you give it to meYou're tellin' me no no no
You don't let your love go
I'm tellin' you yes yes yes
You really oughta be gettin' some happinessI made a motion and it's out on the floor
And it's a notion that I'd love to explore
'Cause I been tastin' the love you been wastin'
So baby won't you give it to meYou're tellin' me no no no
You don't let your love go
I'm tellin' you yes yes yes
You really oughta be gettin' some happinessYou're a lady
And I'm here in the palm of your hand
Such a lady
How much more do you think I can stand?You're tellin' me no no no
You don't let your love go
I'm tellin' you yes yes yes
You really oughta be gettin' some happinessYou're tellin' me no no no
You don't let your love go
I'm tellin' you yes yes yes
You really oughta be gettin' some happiness
