Determinate

Adam Hicks

Trying hard to fight these tears
I'm crazy worried
Messing with my head, this fear
I'm so sorry
You know you gotta get it out
I can't take it
That's what being friend's about
I, I wanna cry, I can't deny
Tonight I wonder, I've been high
And gettin' tired, it isn't right
I gotta live in my life
I know I, I know I, I know I
Gotta do it
I know I, I know I, I know I
Gotta do it
Gotta turn the world into your dance floor
Determinate, determinate
Push until you can't and then demand more
Determinate, determinate
You and me together
We can make it better
Gotta turn the world into your dance floor
Determinate, determinate
Hey, to feel this way and waste a day
I gotta get myself on stage
I shouldn't wait or be afraid
The chips will fall where they may
I know I, I know I, I know I
Gotta do it
I know I, I know I, I know I
Gotta do it
Gotta turn the world into your dance floor
Determinate, determinate
Push until you can't and then demand more
Determinate, determinate
You and me together
We can make it better
Gotta turn the world into your dance floor
Determinate, determinate

It's winnin' medicine, use it like a veteran
Renegade lemonade, use it in my medicine
Go ahead and try to name a band we ain't better than
Reason why the whole world's making us a synonym
People need a breather 'cause they're feeling the adrenaline
Stop, now hurry up and let us in, knock
'Cause we coming to your house
And people keep on flying like a lemon's in their mouth
I'm the real deal, you know how I feel
Why they in it for a mill', you just in it for the thrill
Get down now, I ain't playin' around, put your feet up on the ground
And make that sound like
Gotta turn the world into your dance floor
Determinate, determinate
Push until you can't and then demand more
Determinate, determinate
You and me together
We can make it better
Gotta turn the world into your dance floor
Determinate, determinate
Come on and, come on and, come on and
Get it going
Come on and, come on and, come on and
Get it going
On the dance floor
On the dance floor
Dance floor
Determinate
