I know what I've got to
Frightening ends
Said, "I know what I've got to do"
Yet we speed
I know what I've got to
Frightening ends
Said, "I know what I've got to do"See the savage in me
See the savage in me
See the savage in me
See the savage in my headYou claim to be I'm all
You claim to be I'm all
You claim to be I'm
Why you claim to be I'm head?Head
Yet we speed
I know what I've got to
Frightening ends
Said, "I know what I've got to do"
Yet we speed
