Ooh
Ooh
If you're askin' me to say
Livin' life without you, girl, is alright
If you really want to know
I'd have to say it's dangerous to my mind
So before you turn and walk away
Just let me love you one more time
Feel your heartbeat close to mine
Let me love you all the time
Lady, love me
Yes, I'm askin' you to stay
Remembering it used to be so right
If you're askin' for the truth
I'd have to say I won't believe it's goodnight
So before you turn and walk away
Just let me love you one more time
Feel your heartbeat close to mine
Lady, love me all the time
Lady, love me
Doo
Doo
Doo
So before you turn and walk away
Just let me love you one more time
Feel your heartbeat close to mine
Lady, love me all the time
Love me, lady, all the time
Let me love you one more time
Hold me closer, now you're mine
Lady, love me one last time
Lady, love me
Ho, love me, lady
Ooh
So before you turn and walk away
Just let me love you one more time

Feel your heartbeat close to mine
Lady, love me one last time
Lady, love me
Let me love you one more time
Feel your heartbeat close to mine
Lady, love me all the time
Lady, love me
Let me love you one more time
Feel your heartbeat close to mine
