# Devil Eyes

## Mercyful Fate

Angel, lady in white
Stay away, you know my forcesThe devil eyes, devil eyes
Devil eyes, devil eyesI'll take you to Hell, you're inside my spell
In Lucifer's mirror and I am his killerI'm the Devil, I'm devil eyesAngel, lady in white
You've had your time, now you are mineDevil eyes, devil eyes
Devil eyes, devil eyesI'll take you to Hell, you're inside my spell
In Lucifer's mirror and I am his killerOh yeah, I'm devil eyes, oh yeah, I love my devil eyes
Oh yeah, those evil eyes, oh yeah, I love my devil eyesWell I'm devil eyes, I'm gonna get youI am heading for the
The gates of Hell bringing a victimShe's angel eyes, angel eyes
Angel eyes, angel eyesI took her to Hell in Lucifer's spell
Now I am his mirror and still I'm his killer
Still I'm his killer, well, I'm devil eyesDevil eyes, devil eyes
Devil eyes, devil eyes
