

Superlove (WAWA Remix Extended)

[Lenny Kravitz](#)

I want you
All of you
Can't leave, break through
In search a new I want your superlove
I wanna be inside your superlove
I need the spirit with the sexual
I wanna be inside your superlove We both know
The way to go
Let us take a chance
It's our last dance I want your superlove
I wanna be inside your superlove
I need the spirit with the sexual
I wanna be inside your superlove I want your superlove
I wanna be inside your superlove
I need the spirit with the sexual
I wanna be inside your superlove I want your superlove
I wanna be inside your superlove
I need the spirit with the sexual
I wanna be inside your superlove Come on baby, I want your superlove
I wanna be inside your superlove
I need the spirit with the sexual
I wanna be inside your superlove I want your superlove
I wanna be inside your superlove
I need the spirit with the sexual
