From Friends To Lovers

Plastiscines

I've got a couple of question more
I've got a lot to ask
I've got a couple of question more ohohoh
I've got a couple of question more
And you've got to answer for
Because I don't understand
What we are, we are
We are everything from friends to lovers
You want it, you want it

You've got tell me, tell me more
About what you expect
Come on and tell me you want me ohohoh
You should have told me that before
I gave you a chance
I'm still not really sure
What we are, we are
We are everything from friends to lovers
You want it, you want it.
