Cry Like A Rainstorm

Bonnie Raitt

Life isn't easy
Love never lasts
You just carry on
And keep moving fastI turned off the highway
Pulled into town
I'm fancy free darling
And I've traveled roundSometimes I'm up, sometimes I'm down
Tell me where can I run to, tell me how have I sinned
When you cry like a rainstorm and howl like the wind
So who shall I start with, tell me how to begin
When you cry like a rainstorm and howl like the windMy thoughts are lost in memories
That keep me free
Know if all the stars were shining
They would not help me seeDon't you know that sometimes I'm up, most times down
Where can I run to, tell me how have I sinned
You cry like a rainstorm and you howl like the windWell my life isn't easy
And my love never seems to last
So I'll keep on carrying on darling
I'll just keep moving fastI turned off the highway
Pulled into town
And I'm still fancy free
And I keep traveling roundSometimes I'm up, most times I'm down
Where can I run to, tell me how have I sinned
When you cry like a rainstorm and you howl like the wind
So who shall I start with, tell me how to begin
You cry like a rainstorm and you howl like the wind
Cry like a rainstorm and you howl like the wind
