Long Live Rock N' Roll

Rainbow

At the end of a dream
If you know where I mean
When the mist just starts to clearIn a similar way
At the end of today
I could feel the sound of writing on the wall
It cries for you
It's the least that you can doLike a spiral on the wind
I can hear it screamin' in my mind
Long live rock and roll
Long live rock 'n' roll
Long live rock and rollIn a different time
When the words didn't rhyme
You could never quite be sure
Then on with the change
It was simple but strange
And you knew the feeling seemed to say it all
It cries for you
It's the least that you can do
Like a spiral on the wind
I can hear it screamin' in my mind
Long live rock and roll
Long live rock 'n' roll
Long live rock and rollIf you suddenly see
What has happened to me
You should spread the word aroundAnd tell everyone here
That it's perfectly clear
They can sail above it all on what they've found
It cries for you
It's the best that you can do
Like a sound that's everywhere
I can hear it screaming through the air
Long live rock and roll
Long live rock 'n' roll
Long live rock and roll
