Hate 2 Luv U

3lw

It was the wrong day, the wrong month, the wrong year
I wasn?t ready for all the pain and all the tears
Baby, you crushed me, now I have to deal
In the worst fears, you had to go and take it there
Now, I'm all alone
Knew I should have took my ass home
Times when you were putting it on me
You were putting it on me
I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about, don?t wanna be in love
I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about, don?t wanna be in love
Thought I could change you
And turn you into a good man
Thought my love was bond
And things were going as I planned
But what a fool I was
You was still hitting your ex-girlfriend
I had to be out you understand
Now, I'm all alone
Knew I should have took my ass home
Times when you were putting it on me
You were putting it on me
I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about, don?t wanna be in love
I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it

So blue about, don?t wanna be in love
Wish that
(Wish that things were different)
Wish that things were different

(That you would love me the way that I love you)
The way that I love you
(Can?t believe you hurt me, babe)
Can?t believe
(And do me this way)
(I hate to love you can?t let go)
Now I'm all alone
Knew I should have took my ass home
Times when you were putting it on me
You were putting it on me
I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about, don?t wanna be in love
I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about, don?t wanna be in love
I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about, don?t wanna be in love
I just hate you for it
Fall in love, do about it
So blue about, don?t wanna be in love
I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about, don?t wanna be in love
