# Snowed In (Feat. Rivers Cuomo)

## Big Data

Got myself in a bad situation
Please understand my motivation
Uh uh, uh uh
This is for your protection
You can say anything that you want to
I won't ever hold it against you
Uh uh, uh uh
Until you need a correctionBaby, I told you I'd be there
No need for you to feel so scared
Everybody
Baby, you know that I'll be thereDon't believe all the things that he told you
I can feel every little thing that you do
Uh uh, uh uh
Guess I'm just Mr. Sensitive
Whistleblowing is an act of aggression
So he better run, cuz I'm gonna teach him a lesson
Uh uh, uh uh
Forgive the vulgar expressionBaby, I told you I'd be there
No need for you to feel so scared
Everybody
Baby, you know that I'll be there
